

# Arc Reactor – Public Disclosure

Author	Utkarsh Kumar
Date of Public Disclosure	2025-08-10
GitHub Repository	<a href="https://github.com/Utkarsh529">https://github.com/Utkarsh529</a>
OSF Project	YOUR_OSF_PUBLIC_LINK

This document serves as verifiable evidence of the public disclosure of the project titled above. The project details, design, and related intellectual content have been made publicly available via the provided GitHub and OSF links. This ensures that the content is time-stamped and accessible for future verification, preventing others from claiming prior invention.

**Legal Note:** This document, combined with the public repository timestamps and OSF registration, constitutes a permanent proof-of-disclosure record. It may be submitted as prior art evidence in intellectual property disputes or patent examinations.
